Special Condition #16: You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: On July 21, 2021, Chad Anderson is alleged to have violated the conditions of his supervision by submitting a urine sample that tested presumptive positive for methamphetamine.

On April 19, 2019, an officer with the U.S. Probation Office in Spokane, Washington, reviewed a copy of the conditions of supervision with Mr. Anderson, as outlined in the judgment and sentence. He signed the judgment acknowledging the requirements.

On July 21, 2021, Mr. Anderson reported to the U.S. Probation Office for random urinalysis testing as instructed by the undersigned officer. He attempted to provide a urine sample on a few occasions but was unsuccessful, which he suggested was a medical issue. After more than 2 ½ hours, the offender finally provided a urine sample that tested presumptive positive for methamphetamine. The offender eventually admitted to the use of methamphetamine on or about July 19, 2021, and signed an admission of use form confirming that admission.

The U.S. Probation Office respectfully recommends the Court to incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court.

I declare under penalty of perjury that the foregoing is true and correct.
